## 01. CONTEXT

The Student Hotel has selected the European operator Wifirst to connect its Campus Marina residence in Barcelona.

The partnership is part of the modernisation of the facilities and services of the establishment previously known as the Melon District.

## 02. CHALLENGE

The Student Hotel Campus Marina is the largest student residence in Barcelona.

It offers more than 500 fully equipped rooms and studios, kitchens, flexible co-working spaces, lounges, libraries, TedTalks, table tennis, gym, restaurant, laundry service, meeting rooms, auditoriums and a swimming pool.

## 03. RESULTS

A 1 Gbps fibre optic cable with guaranteed speed connects this huge residence to the Internet.

In addition, nearly 200 WiFi access points provide students and visitors with access to a very high-speed connection.
